Minutes from September 1, 2021 meeting. Tripp set motion to approve, Brown 2<sup>nd</sup> motion. Unanimous vote, Motion Carried.

## New Business

- City of Brandon bike trail system: Aaker attended meeting and said there is a proposed bike trail possibly on Redwood and Chestnut. Will continue going to meetings as needed.

## Old Business

- SDTAT Conference: Beth discussed upcoming SDTAT conference. No one from Brandon Township is able to attend the meeting this year.
- Water Tower Update: A few complaints the last few weeks of the road being muddy. Brown went to site and told the contractor it's their responsibility to gravel the road and maintain it. They said they would get it fixed. Brian Reed from the City of Brandon said they would return the road to previous condition once the water tower is completed.
- Grader update: On track to have new one in spring. Had a few repairs on current that extended warranty covered.
- Update on road conditions/culverts:
  - West Redwood Blvd: has some muddy ditches but been an issue in past and cleared up on their own
  - Chestnut Trail: Hanson attended asking if Chestnut Trail was a private drive or township road. Township board is under the impression that it is private as it is not maintained by the township. Aaker and Tripp will look into it to see what they can find out.

## Financial Update From Treasurer

Herll reviewed finances and township in good standing.

## Adjournment

- Tripp made motion to adjourn at 7:39pm. Metzger 2<sup>nd</sup> motion. Unanimous vote, Motion Carried
