Public Comments For Items On Agenda Only- Asked if we could review Culvert Status on their road.

Schreurs and Hanssen expressed concern over the culvert that was placed on 481st Street exiting the industrial park. Supervisors Brown and Tripp explained that permission for the culvert was granted to allow business property owner to have enough room to bring payload onto property and limited use. Schreurs reported that the business property owner has multiple large construction vehicles going in and out of driveway, business property owner parking large vehicles in right-of-way, causing increased traffic and damage to the road.
